

How to use My Wiltshire

You can use the My Wiltshire system to report a number of issues affecting your local area or changes that would affect the services you receive.

You can access My Wiltshire via your internet browser on your desktop/laptop or download the mobile app on to your smartphone or tablet.

You can report issues either by being a registered user or anonymously.

To receive responses to your reports you will have to be a registered user with an email address.

How to access the system via:

- Smart Phone/Tablet
- Desktop/Laptop computer

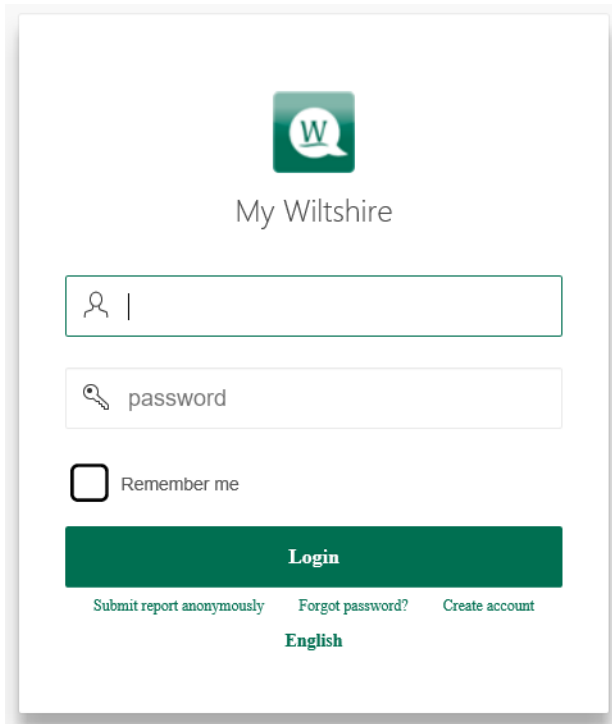

How to access the system on your desktop/laptop computer

1. Go to [My Wiltshire](http://www.wiltshire.gov.uk/mywiltshire-online-reporting) (<http://www.wiltshire.gov.uk/mywiltshire-online-reporting>)

You will see this screen. Here you will find links to log into the system, deregistering and a link to the privacy statement.

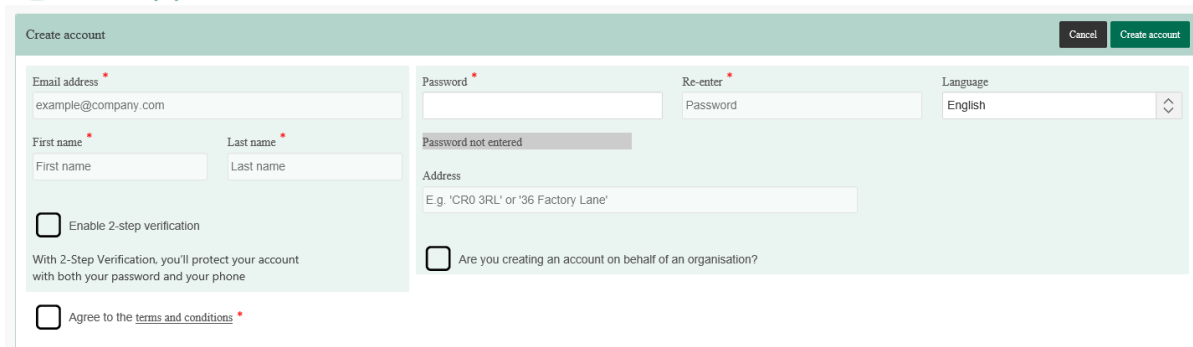

2. If you are already a registered user click on the Report it option. This can also be used to report issues anonymously.

The screenshot shows the 'My Wiltshire' login interface. At the top is the Wiltshire Council logo (a green square with a white 'W' and a speech bubble) and the text 'My Wiltshire'. Below this are two input fields: the first for a username (with a person icon) and the second for a password (with a key icon). A 'Remember me' checkbox is located below the password field. A large green 'Login' button is centered below the fields. At the bottom, there are three links: 'Submit report anonymously', 'Forgot password?', and 'Create account'. The word 'English' is displayed at the very bottom.

3. Use the email address and password you created when you registered. If you have forgotten your password then click on the forgot password link. This will send an email to your account with a link to reset your password. Please ensure that you have added noreply@wiltshire.gov.uk to your list of accepted emails.
4. New users can create an account by selecting the create account option.

The screenshot shows the 'Create account' form. It has a title bar with 'Create account' and buttons for 'Cancel' and 'Create account'. The form is divided into several sections: 'Email address' (with a red asterisk) containing 'example@company.com'; 'First name' and 'Last name' (both with red asterisks) with input fields; 'Password' (with a red asterisk) and 'Re-enter' (with a red asterisk) fields, with a 'Password not entered' warning; 'Language' dropdown menu set to 'English'; 'Address' field with the example 'E.g. 'CR0 3RL' or '36 Factory Lane'; 'Enable 2-step verification' checkbox with a note: 'With 2-Step Verification, you'll protect your account with both your password and your phone'; and 'Agree to the terms and conditions' checkbox (with a red asterisk) and 'Are you creating an account on behalf of an organisation?' checkbox.

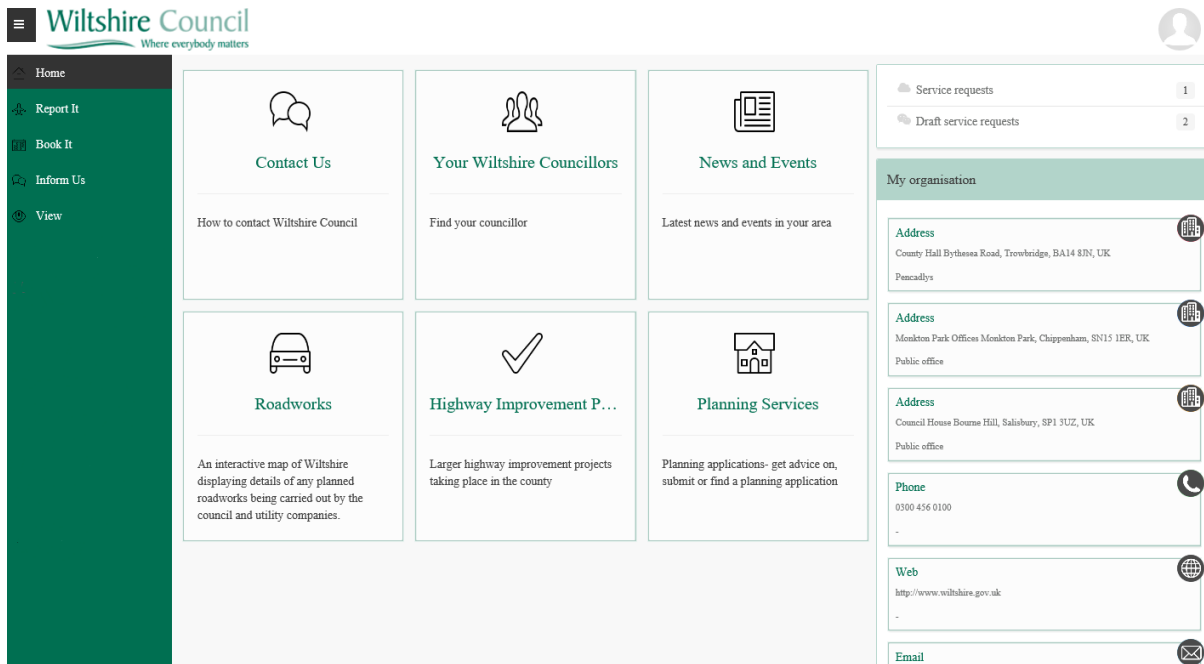

Please read the Privacy statement and click I agree if you wish to proceed.

Click 'Create Account'

You will receive an email notification that your account has been created. Within the email there will be an option to Activate your account. Click on the button to activate.

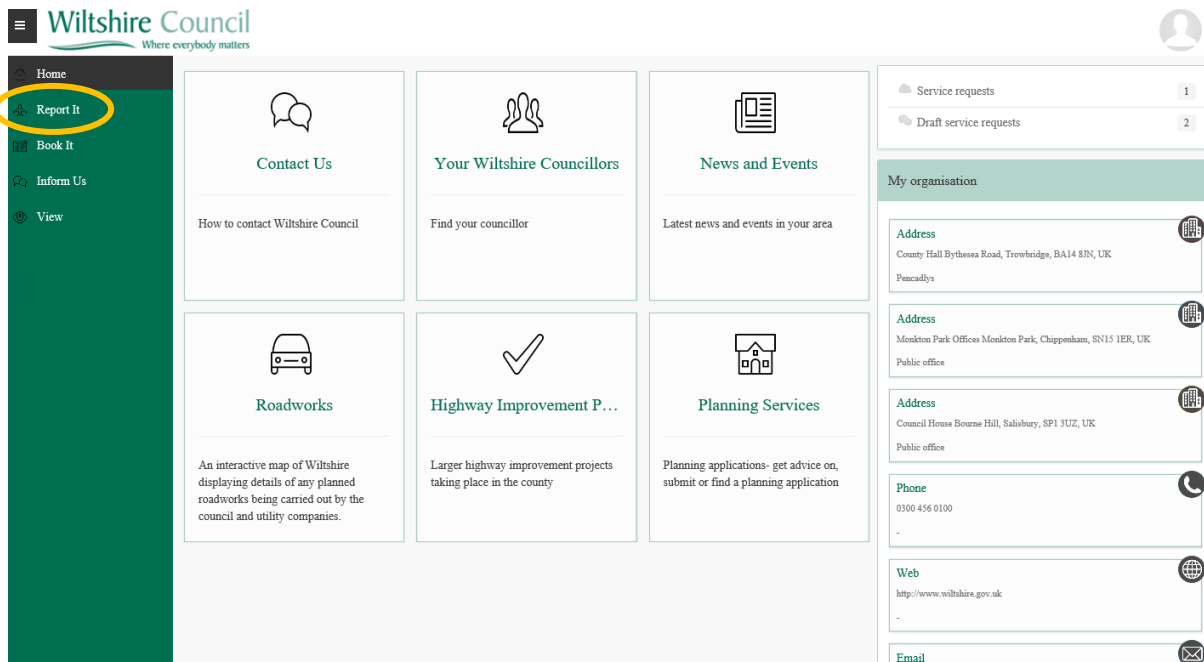

You will receive a success notification and you can now log into the system

5. Once logged in to the web portal, you will see a screen similar to this one.

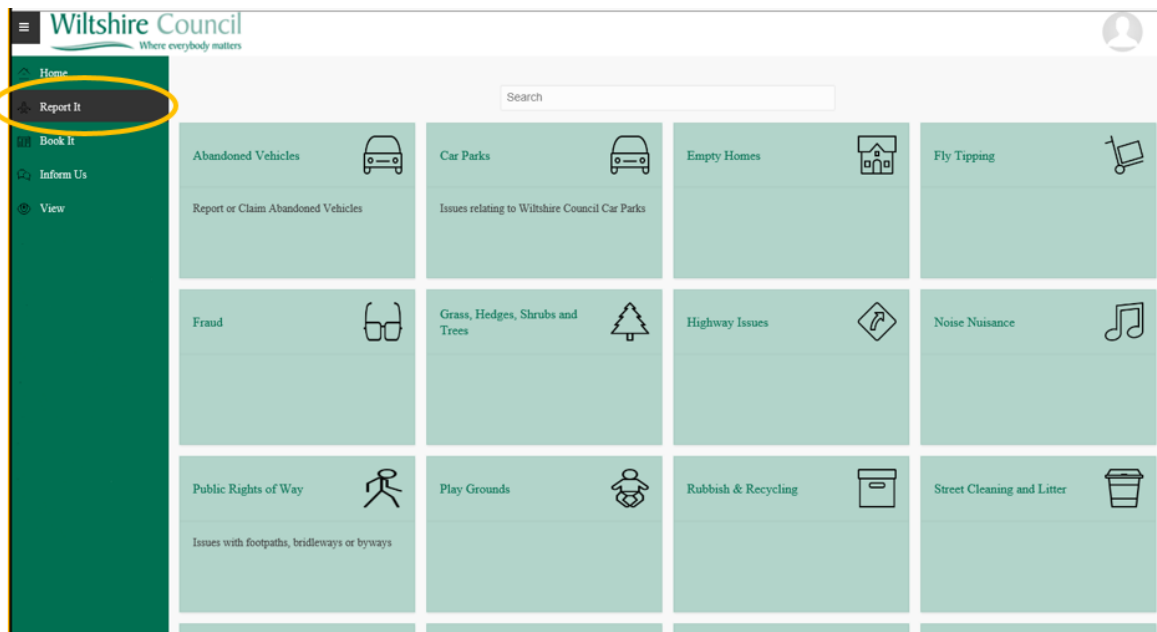

6. Here is how to submit a service request, E.G. pothole.

Select 'Report it' from the menu on the left of the screen

7. The screen will update and display a series of tiles with the different reports you can submit.

8. Select 'Highways issues'.

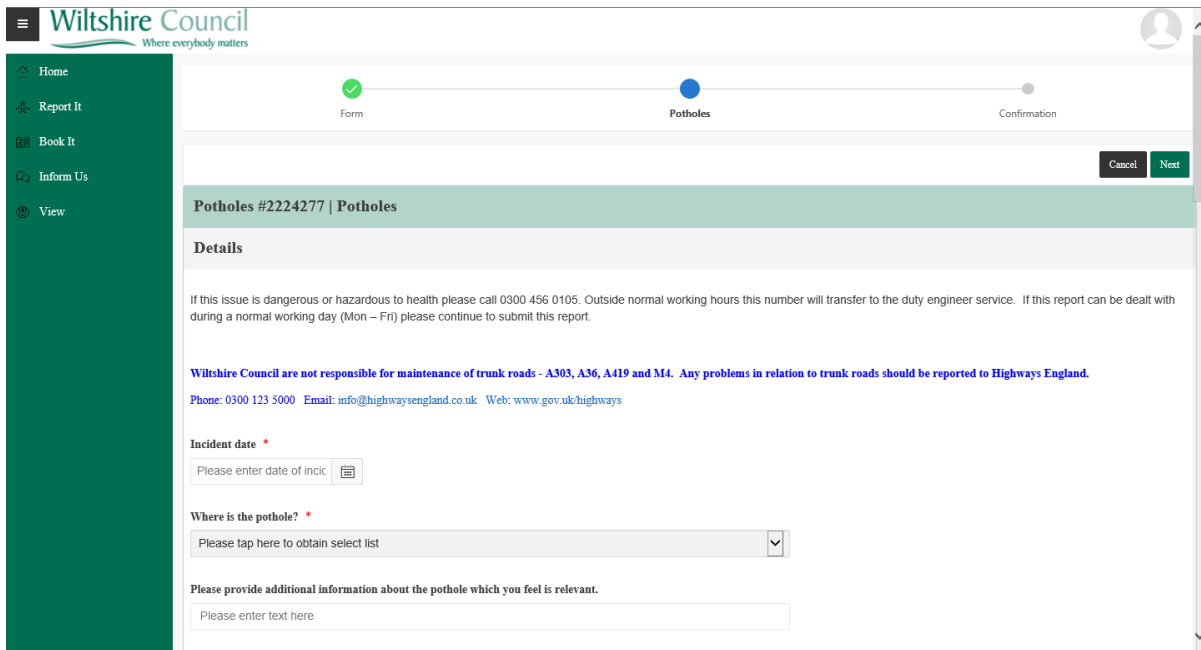

Here you can see all the services you can report on.

9. Select 'Potholes'.

To help us deal efficiently and promptly with your request please complete all the fields with as much information as you can, if a field has a red asterisk then it must be completed. You may have to scroll down to make sure you submit all that is required.

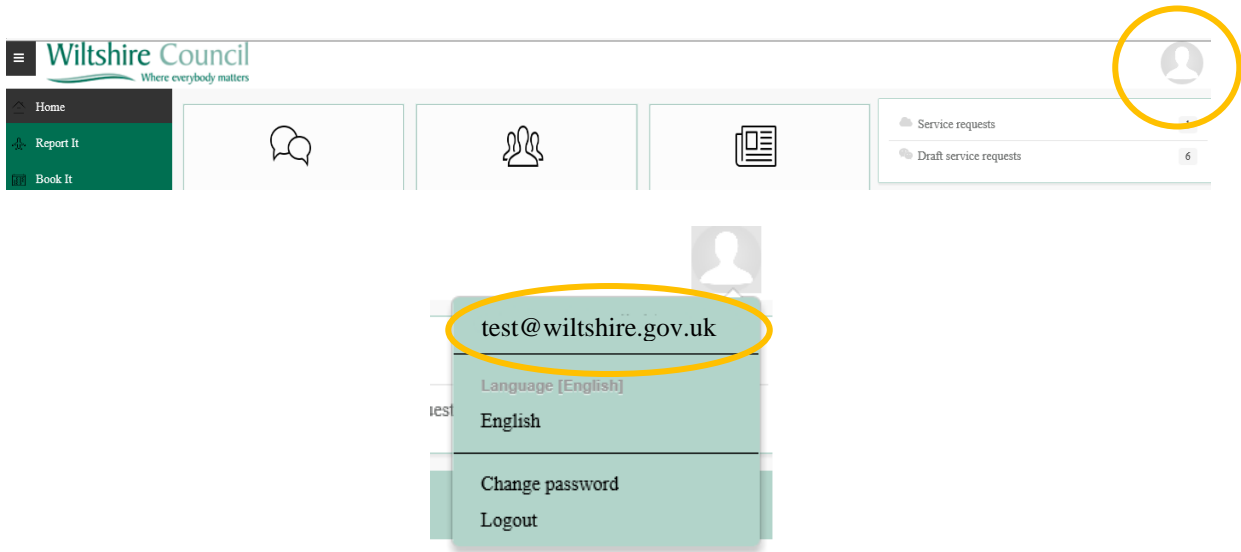

Once submitted you will get updates to your email address inbox on what is happening with the issue you reported.

10. You can access submitted or draft request from the home screen by selecting the option on the right of the home screen.

11. To access account details, click on the person icon at the top right of the screen and select your email address.

12. Here you can make changes to your account details and update your profile
