Corsham RUFC	Rugby (JB)	Floodlighting & Drainage project changed to Upgrading of Changing Facilities	Feb 2017	S106 contributions identified, club is a limited company therefore transfer of funds to the club is possible. After discussion the project is not Floodlighting or Drainage but upgrading of changing facilities and toilets -Corsham Town Council has agreed to the change. Legal Agreements have signed by both parties, these transfer the risk to CRFC and outline the works. The first s106 contribution has been transferred to CRFC, unfortunately the 2 nd contribution has not materialised as the Planning Application has not been granted. The Club is looking to revise their aspirations.
Bradford on Avon RUFC	Rugby (JB)	Drainage	Feb 2017	No s106 funding
Salisbury RFC	Rugby (JB)	6 new changing rooms, match officials room, medical & storage room.	June 2017	Whilst this is a priority project for the National RFU, regionally no one is aware of any grant timetable.
Pewsey Vale RFC	Rugby (JB)	Clubhouse / Changing Rooms	June 2017	No s106. This project was started in error some years ago, funding is now the issue as no funding body wants to fund a project that has already started. Dorset & Wilts RFU and Sport England are discussing how best to address this issue.
Chippenham RFC	Rugby (JB)	Construction of a fullsize World Rugby 3GATP at CRFC	Jan 2019	Project to be funded by the RFU. The Planning Application has been received by WC 29/1/2019
